

CHURCH WARDENS REPORT 2021.  
AGM 26<sup>th</sup> April

Our term of duty as Church Wardens at St James has been a strange one due to the current Pandemic. As the Church does not belong to us there is no building to maintain. Our duties have been mainly to take names and contact numbers of those attending. Taking temperatures of those before they enter and ensuring that hand gel is used and that proper distancing is adhered to. We provide a Collection Plate for the end of the Service. When the congregation have left we clean all the Church Pews as well as the toilets, making sure that lights are turned off and that the building is securely locked. It has been a privilege to serve as Church Wardens and if required we are happy to continue.

Frank & June Boughtflower
