

Misión Cristiana Moderna Charitable Giving Report for 2020

88 trips to the mission were made - this included what Bob did while we were in lockdown.

Total cash donations of 2,350 euros.

400€ was given for toys for the children at Christmas, the rest was spent on food and toiletries.

The government has designated the mission an accredited migrant centre so they are able to get an allowance of 8 euros a day for the refugees, but we must remember that this is only a small part of their work on the Island as many Spanish families are struggling.

Twinkle Trust donated many items after lockdown as they have limited storage for clothing and bedding; we have been able to work closely with them to exchange items donated to us that are unsuitable for the mission, for clothing etc.

Lockdowns permitting, we should be on track for a better 2021.
