

## Praying in church

- Each week when we gather for worship, whether online or in the church building, different members of the congregation lead us in prayers of intercession. We pray for the care of creation, the Church both global and local, the world and its leaders, and all those in need.
- If you are a member of the congregation and are interested in becoming part of this team of intercessors (pray-ers), please contact the Chaplain at [Bob@fuertechurch.org](mailto:Bob@fuertechurch.org). Training and support will be given.
- Anyone attending a service in church can also approach the worship leaders or Chaplain at the end of the service and ask for prayer for a particular need or situation.
