

## Guidelines for the Virtual Prayer Group

### **Remember:**

- We all need God's help every day.
  - Our greatest resource to help each other is prayer.
- 
- By joining the Virtual Prayer Group you have promised to pray for the needs that are flagged up to you by the prayer group coordinator.
  - Please open the messages as soon as possible and pray in a timely manner.
  - You do not need to respond to the message received, other than to pray.
  - You may pray once or as often as the need comes to mind.
  - You may or may not hear about or see the outcome to your prayers but be assured that prayer changes things.
  - Remember this is a prayer group, not a care line. If people need help or assistance with emergencies encourage them to contact the relevant help.
  - The information passed to the prayer group must be treated as confidential. The names of persons requesting prayer and their personal situations are not open for discussion or to be questioned. The prayer group participants are not to reveal prayer requests to others who do not receive the prayer request messages.
  - If someone in the prayer group has concerns about a request, they must contact the church leadership.

If you want to join the group, please e-mail the Prayer Coordinator at [Prayer@fuertechurch.org](mailto:Prayer@fuertechurch.org)
