

## CHURCH WARDENS REPORT 2022

- Our term of duty as Church Wardens at St James has been very much determined by the current Pandemic. The Church does not belong to us but is rented to us by the Catholic Church therefore there is no building to maintain. Our duties have been to adhere to the rules of Covid restrictions ensuring that the proper social distancing is adhered to as well as members having to use the hand gel on entering and before receiving communion, temperatures are taken of each person at the door before entry is permitted. We take the names and contact details of those attending the service. A collection basket is provided at the end of the service. Toiletries are provided. Gels, paper & towel and removed at the end of service ensuring that the area is cleaned and lights are switched off. The pews are cleaned with a sanitising liquid at the end of each service. An inventory was taken of all our church property (copy available if required).
